

AUSTRALASIAN NATIVE ORCHID SOCIETY (QLD)

Kabi Group Inc

19th AUSTRALASIAN NATIVE ORCHID SHOW

to be held at

**Pine Rivers Showgrounds Hall
757 Gympie Road
Lawnton**

On

**Friday
Plant Benching** **25 August 2023
12:00pm – 8:00pm**

**Saturday
Plant Benching
Judging
Open to public** **26 August 2023
7.00am – 8:00am
10:00am – 12:00pm
8.30am – 4:00pm**

**Sunday
Open to public** **27 August 2023
8.30am – 2:00pm**

**SHOW MARSHAL
Callyn Farrell** **SHOW CONVENOR
Warren Wilcox
0456 003 035
email: anos.kabi@gmail.com**

THIS IS AN OPEN SHOW

PRIZE MONEY

Champion Prizes \$75.00

Class Prizes 1st - \$20.00, 2nd - \$15.00 and 3rd - \$10.00

Champion Species Specimen (from sections 1 and 2)
Champion Hybrid Specimen (from sections 3 and 4)
Champion *Dendrobium speciosum* (from section 1)
Champion Any Other Species (from section 2)
Champion *Dendrobium* (from section 3)
Champion Any Other Hybrid (from section 4)
Champion Seedling (from section 5)
Champion Novice (from section 6)

SPECIAL CONDITIONS

1. Entries of exhibits shall be free and open to all members of orchid societies and other invited groups. Acceptance of any entry shall be conditional on the exhibitor agreeing to be bound by the conditions set out below. Exhibitors are responsible for the correct labelling of every plant exhibited and must show the class and exhibitor's ID number (obtainable from Benching Plant Registrars).
2. ANOS (QLD) KABI Group Inc. or its agents accept no responsibility for the theft, loss, destruction or damage of any kind to plants either during transport to or from the show or while at the show for display or sale. All reasonable care will be taken.
3. **All plants benched, displayed or for sale must be Australasian in origin as defined in the ANOS Constitution.** See http://ourshopfront.com/kabi/html/ANOS_area.php.
4. The show marshal has the right to determine the class in which any plant may be exhibited. The Show Marshal may reject, remove or rearrange any entry and combine and/or establish extra classes if needed. **The Show Marshal's decision is final.**
5. The Show Marshal shall have the right to refuse the exhibition of any plant which in his/her opinion appears diseased, has insect pests on the plant or is not of show bench quality.
6. **Fire Ant Requirements.** All exhibitors must complete and sign the Show Fire Ant Register. Plants with ants of any kind are not permitted in the venue and must not be benched. Exhibitors must have appropriate documentation if required by the DPI otherwise the Show Marshal may refuse the exhibition.
7. Plants competing for prizes shall have been owned and in the possession of the exhibitor for the preceding six (6) months.
8. Exhibits must be benched by X. There shall be no restriction on the number of separate entries by the exhibitor in any class or classes. Entries in joint names will be accepted. All plants entered will be judged.
9. Exhibits must not be removed from the benches before the termination of the show; no blooms shall be removed from a plant even though spent or plants or blooms interfered with, except under the authority of the Show Marshal.
10. **Australasian Native Orchid Judging and staking standards apply** (staking of inflorescences is not permitted but there is no prohibition in staking pseudobulbs). No prizes shall be given if, in the opinion of the judges, no prize is warranted. **The judges' decision is final.**
11. *Dendrobium* Hot/Cold hybrids include **only** section Dendrocoryne together with Section Spatulata and/or Section Phalaenanth. Sections Dendrocoryne and Spatulata are defined below and Phalaenanth includes *D. bigibbum* - all varieties & synonyms and *D. dicuphum*.
12. *Dendrobium* section Dendrocoryne includes *D. adae*, *aemulum*, *falcorostrum*, *fleckeri*, *gracilicaule* (all varieties), *jonesii* (all varieties), *kingianum* (all varieties), *moorei*, *speciosum* (all varieties), and *tetragonum* (all varieties). ***D. speciosum* and *tetragonum* are excluded for Class 11.**
13. *Dendrobium* section Spatulata includes *D. discolor*, *canaliculatum* (all varieties), *carronii*, *antennatum*, *johannis*, *trilamellatum*, *nindii* and *mirbelianum* and New Guinea species for Classes 12, 31 and 25 to 30.
14. *Dendrobium* section Rhizobium species (*Dockrillia*) includes all plants that exist on the Australian mainland and New Guinea within the defined ANOS boundaries.
15. *Dendrobium* section Latouria includes *D. bifalce* and all species in this section from New Guinea and islands within the defined ANOS boundaries.
16. A seedling shall mean plant in its first flowering season since being raised from seed. This does not include mericlones. A seedling must have a seedling identification tag (supplied on entry).
17. A Specimen exhibit should conform as far as possible for its type considering the following criteria:
 - An epiphyte or clump forming terrestrial (eg *Phaius*) should be a single, mature, many-flowered plant,
 - For other terrestrials it should contain a minimum of 12 flowering plants. If a colony forming type they must have no clonal variation, but such variation is acceptable for non-multiplying species.
18. The Champion Hybrid and Champion Species will be eligible for nomination for the Ira Butler or Bill Murdoch Award respectively. The best Spatulata species or hybrid will be eligible for nomination for the Ken McPherson Trophy.
19. Classes 43 and 44 are open to KABI members only.

Section 1 – *Dendrobium Speciosum*

- 1 *Dendrobium speciosum* var *curvicaule*
- 2 *Dendrobium speciosum* var *grandiflorum*
- 3 *Dendrobium speciosum* var *hillii*
- 4 *Dendrobium speciosum* var *speciosum*
- 5 Any Other *Dendrobium speciosum* Variety (Not listed in classes 1 through 4)
- 6 *Dendrobium speciosum* Intervarietal
Flowers average dorsal sepal ≥ 30 mm and white/cream in colour
- 7 *Dendrobium speciosum* Intervarietal
Flowers average dorsal sepal ≥ 30 mm and yellow/gold in colour
- 8 *Dendrobium speciosum* Intervarietal
Flowers average dorsal sepal < 30 mm and white/cream in colour
- 9 *Dendrobium speciosum* Intervarietal
Flowers average dorsal sepal < 30 mm and yellow/gold in colour

Section 2 – Other Species

- 10 *Dendrobium tetragonum* Complex
- 11 *Dendrobium* sect. *Dendrocoryne* – Other Species (Refer special condition 12)
- 12 *Dendrobium* sect. *Spatulata* Species (Refer special condition 13)
- 13 *Dendrobium* sect. *Latouria* Species (Refer special condition 15)
- 14 *Dendrobium* sect. *Rhizobium (Dockrillia)* Species (Refer condition 14)
- 15 *Aeridinae (Sarcanthinae)* Species
- 16 Any Other Epiphytic Species
- 17 Terrestrial Species

Section 3 – *Dendrobium Dendrocoryne* and Hot/Cold Hybrids

(Classes 23 to 29, refer special condition 12; Classes 32 to 37, refer special condition 11)

- 18 *Dendrobium* sect. *Dendrocoryne* Primary Hybrids
- 19 *Den. Dendrocoryne* Hybrid - Predominantly Red/Pink/Mauve
Flowers average dorsal sepal ≥ 30 mm
- 20 *Den. Dendrocoryne* Hybrid - Predominantly Red/Pink/Mauve
Flowers average dorsal sepal < 30 mm
- 21 *Den. Dendrocoryne* Hybrid - Predominantly White/Cream/Yellow/Gold
Flowers average dorsal sepal ≥ 30 mm
- 22 *Den. Dendrocoryne* Hybrid - Predominantly White/Cream/Yellow/Gold
Flowers average dorsal sepal < 30 mm
- 23 *Den. Dendrocoryne* Hybrid - Other Colours
Flowers average dorsal sepal ≥ 30 mm
- 24 *Den. Dendrocoryne* Hybrid - Other Colours
Flowers average dorsal sepal < 30 mm

- 25 *Dendrobium* Hot/Cold Hybrid - Predominantly Red/Pink/Mauve
Flowers average dorsal sepal ≥ 30 mm
- 26 *Dendrobium* Hot/Cold Hybrid - Predominantly Red/Pink/Mauve
Flowers average dorsal sepal < 30 mm
- 27 *Dendrobium* Hot/Cold Hybrid - Predominantly White/Cream/Yellow/Gold
Flowers average dorsal sepal ≥ 30 mm
- 28 *Dendrobium* Hot/Cold Hybrid - Predominantly White/Cream/Yellow/Gold
Flowers average dorsal sepal < 30 mm
- 29 *Dendrobium* Hot/Cold Hybrid – Other Colours
Flowers average dorsal sepal ≥ 30 mm
- 30 *Dendrobium* Hot/Cold Hybrid – Other Colours
Flowers average dorsal sepal < 30 mm

Section 4 – Other Hybrids

- 31 *Dendrobium* sect. *Spatulata* Hybrid (Refer special condition 13)
- 32 *Dendrobium* sect. *Latouria* Hybrid. (Refer special condition 15)
- 33 *Dendrobium* sect. *Rhizobium (Dockrillia)* Hybrid - Predominantly White/Cream/Yellow
(Refer condition 14)
- 34 *Dendrobium* sect. *Rhizobium (Dockrillia)* Hybrid - predominantly Red/Brown/Purple
(Refer condition 14)
- 35 *Dendrobium* sect. *Rhizobium (Dockrillia)* Hybrid – Other Colours
(Refer condition 14)
- 36 *Aeridinae (Sarcanthinae)* Hybrids
- 37 Any Other Hybrid
- 38 Terrestrial Hybrid

Section 5 – Seedlings (refer special condition 16)

- 39 Any *Dendrobium speciosum* Seedling
- 40 Any Other Species Seedling
- 41 Any *Dendrobium Dendrocoryne* or Hot/Cold Hybrid Seedling
- 42 Any Other Hybrid Seedling

Section 6 - Novice

- 43 Novice Species (Open to ANOS Kabi members only)
- 44 Novice Hybrid (Open to ANOS Kabi members only)
